

Mini Chopper Project Report - Monthly

School / Sponsor: Mishicot High / Manitowoc Ice

Date: 3/31/10

1 **WORK DONE TO DATE:** We have our mounts on the frame for the motor. Also we have the mounts on for the rear breaks. We have the whole frame welded and the welds are grinded down. All parts are ordered, the rear tire is on and centered. Little things like footpegs and handle bars are also done.

2 **ISSUE(S) ENCOUNTERED & SOLUTION(S)** - Engine is not centered

3 **REQUEST FOR ASSISTANCE**

4 **NEXT STEPS** - Paint, final electrical, assembly
