

# Mini Chopper Project Report - Monthly

---

School / Sponsor: Valders/Baileigh

Date: February

---

## 1 WORK DONE TO DATE: We mounted our motor

We Finished Our Frame

Our engine got painted black

The back fender got ordered

Our gas tank got ordered

We ordered our handlebar clamps

---

## 2 ISSUE(S) ENCOUNTERED & SOLUTION(S) Our motor still misfires but we are still working on that. We also had some troubles trying to stretch our gas tank that came with our kit, but we just ordered a new gas tank instead. Another problem we are facing is how we are going to mount our fender.

---

## 3 REQUEST FOR ASSISTANCE: We requested our own assistance from Baileigh, Carl Bonde, and Todd Graff to get suggestions for our gas tank, rear fender and box for all of our electrical components.

---

## 4 NEXT STEPS): Mounting our Fender

Mounting our Gas Tank

Making our Seat

Mounting handlebars

Water jetting a few parts of the bike

Painting and sandblasting the frame
