

Mini Chopper Project Report - Monthly

School / Sponsor: Valders/Baileigh

Date: November

1 WORK DONE TO DATE:

- We bent our frame and are currently welding it together.
 - went on a tour of our sponsors.
-

2 ISSUE(S) ENCOUNTERED & SOLUTION(S)

- Our engine is only firing on one cylinder.
 - You can change things really easily on cad but, when you are working with the frame in real life it is much harder.
-

3 REQUEST FOR ASSISTANCE

- We need to get the motor running correctly.
 - We need to make some final bends on our frame.
 - We need some help modifying our gas tank.
 - We need help finding someone to paint our bike.
-

4 NEXT STEPS)

- We need to finish welding the frame and make the handle bars.
